Our group pray quietly as they knit or crochet scarves/shawls—the quiet things we do that are helpful to the recipient. For all who receive a scarf or shawl we hope it will bring love, peace and many blessings. A thank you to all in the group who continue with this work. We hope this will include both a substantive refurbishment of the Church and also a series of events in the year leading up to St. Patrick's Day 2030. We will let you know of more information as it becomes available and there will also be plenty of opportunities to get involved.

PARISH CENSUS

The Parish Census will shortly be going live. Where possible, parishioners are encouraged to complete the census online. For those unable to complete the census online, paper copies of the form will be available.

We will be placing posters in the porch to inform parishioners that the Census is live. A leaflet with details of the QR Code to allow people to access the form online will be included in the Parish Bulletin. Paper copies of the Census form will be available in the porch for the who are unable to complete the form online. Parishioners are asked to place their completed for into the November List box at the back of the Church which will be marked "Parish Census". Thank you. Parish Census Sub-Committee.
