## Month of October

October is the month of the Holy Rosary, a prayer Padre Pio described as a weapon in fight against the devil. He would sometimes say 50 rosaries a day. Most of us struggle to say one a day and yet it is a beautiful and powerful prayer that helps us centre ourselves on the mysteries of our salvation. In an era where we are constantly distracted by the noise of modern living, it helps us create an oasis of peace where we can rediscover ourselves when we are in danger of getting lost in the commerce of modern life. Even those without faith recognise that life has reached the stage of overpowering us and can spend hundreds if not thousands of pounds on retreats where they withdraw from the world and pamper themselves and do yoga and bare their souls round the campfire and are taught how to meditate and gaze at crystals to make them feel good about their soul while £2.50 for a pair of rosaries and ten minutes a day using them will do your soul more good and give you a sense of calm and peace to sustain you in your life. It will also remind you of what is really important so that you can take control of your life and get that balance of work and family that you should have had in the first place.

As we head into winter in this month, it is a good time to get some balance and stock up your soul for the bleakness ahead.

## Considering Primary Teaching

Each year the Archdiocesan Primary Head Teacher Association, offer advice and support to those considering a vocation in Catholic primary teaching. Although we cannot offer our usual information evenings, we intend to offer as much support online as we possibly can, including the allocation of a headteacher mentor. Please visit our website: <https://www.rercglasgow.org/aphta-initial-teacher-education-support.html> for advice and support on the application and interview process for Initial Teacher Education programmes and make sure you sign up for a mentor before 8th October 2021. We look forward to supporting you! If you have any further enquiries please contact [Christine.Burke@rcag.org.uk](mailto:Christine.Burke@rcag.org.uk)

## Catholic Newspapers/Magazine

Due to Covid the Scottish Catholic Observer ceased trading and will no longer be published. This is also true of the Universe, both of which were on Sale in the Church Porch.

However a new magazine, the Scottish Catholic magazine, Scotland's new national Catholic publication, will launch on Friday, October 15th, and will be in parishes that weekend.

It will come out every two weeks and be priced at £2 an edition.
