ANNUAL SAFEGUARDING STATEMENT

This annual statement should be read around the time of the feast of the Holy Guardian Angels. In echoing this spirit of guardianship we would like to remind us all of our obligation to make out parish communities safe and welcoming places. Please pick one up as you leave.

PARISH CENSUS

It is over 10 years since we last carried out a census of our parishioners. During that peri-

od, the most obvious change has been that the parishioners of St. Peter's have joined us. Additionally there has been a lot of new homes built within the parish with perhaps new parishioners joining without formally registering, and no doubt some moving out with the parish. For all these reasons and to keep our records updated, we will be having a parish census this year. In order to comply with Data Protection laws we will only ask the minimum information for our purposes and we ask for your cooperation when we produce our questionnaire.

NEW INITIATIVE

There will be tea/coffee and snacks on the first Sunday of the month starting in October, after the 10 am Mass in Benview.

NEW HYMN BOOKS

We have ordered new hymn books for the Parish. This is quite a substantial expense, in order to cover some of the cost, we are offering the opportunity for a hymn book to be dedicated to a deceased relative or friend, on the inside cover there will be a notice asking for prayers for your loved ones. If this is something you would like to do, please complete a form from the back of the church and put it in an envelope with your donation.
