The St Vincent de Paul Society would like to thank you for the encouragement your generous support of their work in donating £2,653.97 at the Christmas second collection gives them. This will enable them to continue their ministry to those struggling financially in these difficult times. The council will shortly begin work on land adjacent to the parish car park in preparation for the construction of public parking spaces. This may involve some slight disturbance to the car park during the week since they will need to make use of our ground to enter the area. In return for a right of way to this new car park, the council will upgrade our own car park in the near future and provide new disabled parking spaces within the Church grounds. Please do not park within the grounds beyond the end of Benview or obstruct the access in any way since this will restrict access to larger vehicles and prevent the work being carried out in a timely manner.
