

HYMN TO OUR LADY OF FATIMA

O come to the throne of grace, O come to the heart most pure!
To Mary, our hope of life, In whom salvation is sure.

*O Lady of Fatima, hail! Immaculate Mother of grace;
O, pray for us, help us today, Thou hope of the human race!*

Immaculate Heart! we kneel
To consecrate all to thee:
The present, its pain and joy-----
The future, all it may be.

The sun at thy royal word Spun round like
a splendid toy; The rose petals showering
down Proclaimed thee cause of our joy.

The Rosary, white and gold, We take from
thy Virgin hand: A pledge of the power of
God To heal and strengthen our land.

O Mother of Sorrows, hail! We mourn for our evil done;
O soften our selfish hearts, And lead us back to thy Son.

O Mother of priests in need, For thine assistance we pray;
Thy graces flow: sweet the seed Of Saints, thy Son to obey.

O Mother of all mankind, Lead Russia back home again,
That over a peaceful world Thy heart may graciously reign.
